

Wamogo Project Graduation Opt-Out Fundraiser

Tired of fundraisers? Too busy for them? Don't want to go door-to-door? Don't need more wrapping paper? No selling! No baking! No running! We understand how you feel. So, we've made it easy for you to help support our students with the Opt-Out Fundraiser – NO selling required!

\$150 will sponsor one student to attend Project Graduation!

Just a little bit about project graduation....

Statistics for nearly 40 years substantiate that the worst night for fatalities among high school students is the night they graduate from high school. Alcohol and drugs are primary contributors to these fatalities. Subsequently, parents and concerned citizens in the towns of Warren, Morris, Goshen, and towns that participate in our Agri-Science program, are planning a **graduation party to provide an alcohol and drug free environment for our students to celebrate this exciting night. This event will be a safe way for our students to celebrate with their peers and eliminate worries families have each year on this night.** The grad night celebration will be at Spare Time and will include all night fun, music, games, entertainment, sports, food, prizes, and transportation.

This is not a school sponsored event. All funds are raised through fundraising.

Make checks payable to Wamogo Grad Night and send it in a sealed envelope with the form below. Return it to the main office with your student.

Or send it by mail to: Wamogo Grad Night % Mary Woolsey 107 Highview Drive, Harwinton, CT 06791
Please note Wamogo Opt-Out on the envelope. All donations are greatly appreciated.

Opt Out! That was EASY!!!
